## Wellness Center Class Schedule

May 2024

### Class Descriptions

**Aqua Arthritis:** Aqua program that uses a variety of water-based exercises to increase physical activity among adults with arthritis. **Benefits:** Increased range of motion, muscle strength, endurance, improves day to day function, and increases self-confidence. Also, helps reduce fatigue, pain, and stiffness.

**Aqua Tabata:** Aqua Tabata is a high-intensity interval training (HIIT) workout that takes place in the water. It combines the principles of short bursts of intense exercise followed by brief periods of rest, with the resistance and buoyancy provided by water. This combination creates a challenging and effective workout that delivers maximum results.

**Chair Yoga:** Move through seated and standing yoga poses to increase flexibility, balance, and range of motion. A chair is used to meet a variety of fitness levels.

**Circl Mobility™ (NEW):** Improve balance, reduce stiffness, enhance joint range of motion, hydrate the fascia, and optimize activities of daily life and sport. **Benefits:** Addresses articular motion and full body integrated movement. The program stimulates the nervous system enhancing muscle activation, promotes fluid flow improving circulation, lubricates the joints releasing tension, promotes pliability of the myofascial system, reduces delayed onset muscle soreness and the chance of injury, accelerates recovery, fuels motivation and compliance to physical fitness, and is the perfect complement to any physical training regimen.

**\*Fall Prevention:** Class length is 30-minutes. Program includes exercise routines, education and tips, and drills designed to help you reduce your risk of falling and improve quality of life.

**Pilates Basic:** Nonimpact exercises designed by Joseph Pilates to develop strength, flexibility, balance, and inner awareness. Pilates is a form of strength and flexibility training that can be done by someone at any level of fitness. Pilates promotes a feeling of physical and mental wellbeing and also develops inner physical awareness.

**Sunrise Yoga:** A gentler, less intensive form of yoga that is perfect for all fitness levels. **Benefits:** Flexibility, muscular strength, improves balance, increases coordination, reduces stress, and enhances feelings of well-being. Must be able to get down on mat and stand up without assistance.

**Toning:** Light hand-weights are used to tone muscles, burn fat, boost metabolism, build strength, and increase bone density.

**Water Works:** Combination of strength conditioning and cardio work. **Benefits:** Strength, balance, and endurance.

**Zumba® Gold:** Modified Zumba class that recreates the original moves you love at a lower intensity. The design of the class introduces easy-to-follow Zumba choreography that focuses on balance, range of motion, and coordination. Come ready to sweat and prepare to leave empowered and feeling strong. **Benefits:** Class focuses on all elements of fitness: cardiovascular, muscular conditioning, flexibility, and balance!
